TAPESTRY – PRESCHOOL'S ONLINE PERSONAL LEARNING JOURNAL

Tapestry is our online personal learning journal. It really is the best way to see what fun your child is having within our setting. We post both pictures and videos of what we are doing, and we'd love you to comment on these. You can also post your own pictures and videos of your time at home. If you would like to view Tapestry before you sign up, please ask a member of the Preschool Team.

KEY PERSON

Each child within Cambo Preschool has a key person. A key person is an important person in your child's life whilst at preschool. This person will help to settle your child in and build a good relationship with both you and your family and the child. Parents/carers should take the time to build on this

relationship at any given chance, for example, discussing any important events in their child's life, or any difficulties their child may be experiencing.

The key person oversees their key child's development record; however, this does not mean that other members of staff will not be adding to the record as well. A key person can identify any gaps in a child's development and plan to meet the child's individual needs. A key person oversees gathering information from parents/carers. They will also communicate with other professionals, as necessary.

Your child's key person will work with your child, help them learn and encourage them to achieve. They will get to know your child well, become attuned to their likes, dislikes, attitudes, and preferences and will provide your child with particular support at key times.

If you are unsure of who your child's key person is, please speak to a member of the team as soon as possible.

PRESCHOOL FACEBOOK PAGE

We have a Secret Facebook page for Preschool parents. It was created to aid discussions and to allow parents and staff to put forward ideas, have debates and hopefully endeavour to improve and progress Preschool. All important information will be sent by Tapestry or emailed to parents. Facebook is here to allow group discussions, pass on information and answer questions easily. If you would like to join the page, please speak to a member of the Team.

HEAD LICE

Please keep checking your child's head weekly for lice and inform a member of staff if your child has head lice.

THE EARLY YEARS PUPIL PREMIUM FUNDING

Early Years Pupil Premium (EYPP) provides an extra 68p per hour for children aged 9 months to 4 years, whose parents are in receipt of certain benefits, or who were formally in local authority care, but who left care because they were adopted or were subjected to special guardianship or child arrangement order. This means an extra £388 a year for our setting, for each child taking up the full 570 hours funded entitlement to early education. This additional money could make a significant difference to us.

Who is eligible for EYPP? Children aged 9 months to 2 years and children aged 3/4 and are in receipt of 15 hours of free childcare, and you must also receive at least one of the following:

- Income support.
- Income based Jobseeker's Allowance.
- Income related Employment and Support Allowance.
- Support under part VI of the Immigration and Asylum Act 1999.
- The guaranteed element of State Pension Credit.
- Child Tax Credit (provided they're not also entitled to Working Tax Credit and have an annual gross income of no more than £16,190).
- Working Tax Credit run-on, which is paid for four weeks after they stop qualifying for Working Tax Credit.
- Universal Credit.
- If they have been 'looked after' for 1 day or more.
- If they have been adopted from care.
- If they have left care under a special guardianship order or residence order.

If you believe you may be eligible, please let us know as soon as possible and we will let you know what we need to do next to secure this funding.

If you have any questions, please do not hesitate to ask me.

COMPLAINTS PROCEDURE

We have a Complaints Policy for parents to follow within our Wraparound Policies. These are held in our file in the Wraparound cupboard, or you can view online at our website <http://www.cambo-preschool.com>

We also display Ofsted contact details on our noticeboard in our preschool outdoor area for parents who have any queries or issues regarding Early Years.

EMAIL

Sending correspondence via email helps us reduce printer ink cost as well as saving paper etc. If you would prefer to receive a hard copy of our correspondence, please speak to your key person.

PARENT HELPERS

We always welcome any parent/carer wanting to help in Preschool, it could be to read a story, sing some songs, anything you like! Please see a member of staff if you are interested and can spare the time. If you would like to be a regular helper in Preschool, you will need to have a DBS check. This is part of our Safeguarding Policy for adults who come into contact with children on a regular basis and is a statutory requirement. If you need more details, please see a member of staff.

If you have any queries on any of the above, please do not hesitate to speak to your key person or to Sarah or Johanne.
